17h April 2022 Easter Sunday No 11

**Create bunny footprints:** This is a super simple idea that's easy to do.

1. Draw a set of over-sized rabbit feet on a piece of paper
2. Cut them out
3. Place them on the floor
4. Sprinkle flour in the cut outs.

**Dye your own Easter eggs:**

Hand dying boiled eggs to crack open for breakfast on Easter morning for the whole family:

1. Combine half a cup of boiling water with food colouring and a teaspoon of white vinegar.
2. Soak the cooled hardboiled egg for 5 minutes.
3. Leave on a cooling rack to dry.

### Six Easter ideas to entertain the family during isolation

Easter could be very different this year for many who are spending Easter in Isolation. Even if you are not in isolation here are some great Easter Ideas

*Click on the above images to watch the 'how to make' videos*

**Egg hunt:**

Sometimes classic ideas are best. For a fun Easter morning, hide eggs all over the house and send your kids off to find them.

If you want to take it up a notch, write out individual lists of different eggs and see who finds their prescribed egg stash first. You could also come up with cryptic clues to guide them to their goodies.

**Easter movies:**

You can't beat some good movie time to relax together as a family.

Go for a classic like *Easter Parade* (1948), or for the later releases there's *Hop* (2012) and *Peter Rabbit* (2018). For a fun and entertaining option that tells the story of Easter from a Christian perspective, try *VeggieTales: An Easter Carol* (2003).

**VIRTUAL CHURCH!**

It goes without saying that if you're in isolation your best Easter isolation activity is to attend virtual church!
